

Dear Freedom Crossing Academy Parents,

Since 2019, Freedom Crossing Academy has been recognized by the Florida PBIS Project as a PBIS Model School. Positive Behavior Interventions and Support (PBIS) is a school-wide framework that, according to national research, enhances student quality of life and reduces problem behaviors. By establishing this framework, we are developing skills, making changes to the school environment, acknowledging appropriate behavior, and using data to identify supports for our students. As a PBIS Model School, we demonstrate a commitment to positive and equitable outcomes for all students!

At Freedom Crossing Academy, we are committed to creating a learning environment where every student is recognized and rewarded for positive behavior. The FCA Expectations, known as the “FCA Way” are embedded in all settings including the classroom, cafeteria, hallways, outside, restroom, stairs, and buses. At Freedom Crossing Academy, we are **F**ocused on Safety, **C**ommitted to Responsibility, and **A**lways Respectful.

We will continue to use LiveSchool, an app that will help us share behavior feedback with you and your child. Your child will receive positive points in LiveSchool for hard work and good behavior throughout the school day. Our expectation is for all students to be **focused** on their learning, take **leadership** roles in the school, use their **imagination** and creativity in the classroom, demonstrate **grit** when tasks become challenging, have **heart** by being kind and working together as a school community, and be a **team** (grade level and school). These expectations are known as the “FLIGHT” expectations and are aligned to our school mission statement. Students will receive positive points for meeting the “FLIGHT” expectations and adhering to the FCA Way behavior expectations. Students will also earn points for demonstrating the Character Counts Pillars- Caring, Responsibility, Fairness, Trustworthiness, Respect, and Citizenship. All teachers and staff members can award LiveSchool points which allows students the opportunity to receive points in all settings throughout the school day.

This year we’re adopting a new tool from LiveSchool called **Recaps** that will allow us to deliver all the information about your child’s behavior via an automatic weekly email sent to you.

We will start sending Recaps on **Friday, August 12<sup>th</sup>** and Recaps will deliver to your email every **Friday** evening. To participate in Recaps, you'll need a LiveSchool Parent Account.

- *If you already have a LiveSchool Parent Account*, you'll automatically receive the Recaps emails!
- *If you don't yet have a LiveSchool Parent Account*, you can sign up for one using the Access Code Sheet.

We recognize that Recaps emails *may* provide more details and insight into your child's behaviors during the school day. Our school's focus is on promoting positive behaviors, but you may also see some behaviors recorded for your child that required redirection from their teacher on the FCA Way behavior expectations. Your child's points will never be deducted in LiveSchool, even if redirected. Parents can access all of this information right from your computer or phone by downloading the free LiveSchool app.

As part of our use of LiveSchool, your child will be able to spend his or her points on various classroom and school-wide rewards. We are going to be focusing on positive reinforcement and encouragement and hope that your child earns lots of exciting rewards! Thank you to our amazing PTO for their support with our LiveSchool incentives including the LiveSchool cart, Chick-Fil-A sandwiches, and more!

During the first weeks of school, your child will receive a letter with more information about how to activate their LiveSchool account and how to activate two parent LiveSchool accounts. We will be sharing more information about LiveSchool and our school-wide positive behavior interventions and supports during the Curriculum Chats.

We will be working hard to make this the best school year yet for your child. For more information about our successful PBIS program and our LiveSchool implementation plan, please visit the school website: <https://www-fca.stjohns.k12.fl.us/liveschool/>. If you have any questions about the LiveSchool program, please call or email me.

Take Flight and Break Barriers!

Sincerely,  
**Melissa Lime**  
Vice Principal- Middle School
